CONDITIONS OF APPROVAL

The approval of the article covered by this certificate is valid only as long as the article is manufactured in accordance with the details of the approved drawing specification or other data referred to; no modification of the approved design, construction or material shall be adopted until the proposed modification has been presented for consideration of Transport Canada, and confirmation has been received that it is acceptable.

This certificate may be suspended or cancelled if the manufacturer deviates from the standards prescribed for the equipment herein specified.

CONDITIONS D'APPROBATION

L'approbation de l'article visé par le présent certificat n'est valable que dans la mesure où la fabrication de cet article satisfait aux dessins, devis ou autres données approuvés; aucune modification du dessin, de la construction ou du matériau approuvés ne sera adoptée avant que la modification envisagée n'ait été présentée pour étude à Transport Canada, et que confirmation de son acceptabilité n'ait été reçue.

Le présent certificat pourra être suspendu ou annulé si le fabricant s'écarte des normes prescrites pour l'équipement mentionné aux présentes.

SCHEDULE OF APPROVAL

Design, Drawings and/or Specifications

Ovatek 4 General arrangement profile dated May 15/98 Rev. C

Ovatek 4 Painter System dated May 22/98 Rev. E

Instructions and Markings

All required marking shall be specified in English and French.

Conditions

1. The liferaft is to be constructed in accordance with manufacturer's drawings listed above and no departure from these drawings shall be made without prior notification to Transport Canada Marine Safety.
2. This certificate may be suspended or cancelled if the manufacturer deviates from any of the conditions described herein.
3. The manufacturer is responsible to ensure that every liferaft built to this Certificate of Approval corresponds to the approved prototype.
4. Each liferaft to be supplied with operating and training information suitable for insertion into the ship's on-board training manual in English and French.
5. This approval is given on the understanding that Transport Canada, Marine Safety reserves the right to require check tests to be carried out at any time and that the manufacturer of the equipment mentioned on this certificate will accept responsibility for informing shipowners of proper methods of use, maintenance and the conditions of this approval.
